

FROM: Bill Lawrence, City Manager

DATE: August 16, 2019

TO: Commissioners

SUBJECT: Manager's Report

Sanitation: A special shout out to Deone Greer! We received a phone call from a citizen who wanted us to be aware that they had witnessed Deone get off the garbage truck and pick up litter on the street. They appreciated Deone for going above and beyond his job duties. Amy said they have been mowing and trimming at the cemetery. She and Cayla will be taking the State Water Distribution test in September.

Public Works was busy Tuesday afternoon with a tree down on Freeman Street. The Live Oak will need to come down. Wayne said they drained some of the water at Avon Street by digging out around the ditch after a citizen's complaint. Wayne said the crew has been replacing some water meters this week. Wayne attended some of the wastewater training on pumps this week.

Manager's Meeting was held Wednesday morning. We discussed Feeding Tampa Bay that will happen Saturday 24th from 9 to 10:30 at the First Baptist Church.

Police Department: Chief Scheel said school is back in session and the crossing guards are out. The Officers received autism training this past week and they went over the school safety plan.

Clerk's Office: Carmen said they gave out three occupational licenses with one being a new restaurant that should be open in a week and one a child care center that should be opening soon.

Animal Control: Trina went out with Kevin King this past week to check the city for mosquito breeding areas. The ditches had moving water, which mean no larvae would be there. Any place that has still water such as old tires etc. they found larva. Please make sure you get rid of any standing water on your properties.

Wastewater Plant training on the pumps was held Tuesday and Wednesday morning.

Florida League of Cities Annual Conference in Orlando starts Thursday. Mayor Fite, Vice- Mayor Mary Alice Tucker and I will be attending.

The Budget:

Workshops on Thursday August 22nd at 5:30pm & August 29th at 5:30pm if two are needed.

1st Budget Hearing: September 12th at 5:30pm

Final Budget Hearing: September 23rd at 5:30pm
