Trunk or Treat: A special thanks to the Trunk or Treat Sponsors such as Peace River Electric Cooperative, Inframark, Albritton Insurance, Cricket, Badcock & More, First Bank of Wauchula, Tractor Supply Co. and participants. This would have not been such a success without you.

Public Works: I worked on drawing and painting 3 different props for the Trunk or Treat event on Sat. I mowed, baited for ants and wasps on the grounds around the Depot. I also did some research on some cemetery plots for Carmen. I issued a boil water notice and passed them out. I took water samples Tuesday and Wednesday for testing. The results came back, and we passed out rescission notices Friday morning. Delvin and Devin mowed the cemetery on Monday & Tuesday and worked on sidewalks and curbs the rest of this week. They will continue to do them next week. Amy

The guys prepped for two hydrants on Monday and installed them on Tuesday, they finished grading on Wednesday morning. The guys cleaned down by the dog pound area. I did a few lines locates on Avon St. Roy did some mowing. Kyle mowed with the tractor. I worked on Diamond maps a few hours this week. I will work on adding new meters to Diamond Map next week. On Monday,

Insight Auctioneers will visit us to remove more items for auction. We will be doing 2 sewer & water taps on Avon St next week for two new houses being built. We also fixed 2 water leaks and replaced the meters. Wayne

FMIT Insurance: We have just been awarded \$956 Safety Grant. Great Job Amy, Chief Scheel and Carmen!

Manager's Meeting was held this week. Wayne said the auctioneers took 8 fire hydrants, dumpsters and an old Dixie Chopper. The crew has cleaned up along the fence line at the Dog Pond. Pat from Inframark said the Nano system is still running but has provided a punch list of things that Censtate needs to complete. Chief Scheel said Trina has handled 20 code cases for October and 16 animal cases. Carmen said the clerk interviews will be next week along with the audit.

Monthly Expense Report shows less than 8 % spent from the Budget was spent in the first month of the new fiscal year! Great Job Staff!

There were more than 600 children in attendance at the Trunk or Treat event last Saturday.
